## ABOUT CHILDSAVERS

ChildSavers is a Central Virginia nonprofit organization whose mission is to guide our community's children through life's critical moments with trauma-informed mental health and child development services. ChildSavers is the only nonprofit in Virginia using a coordinated prevention and intervention model to prepare children for school, address mental health, and recover from trauma.

Nearly 100 years ago, ChildSavers was established as the Children's Memorial Clinic in memory of Dr. McGuire Newton, one of Richmond's first pediatricians. Martha Patteson Bowie Branch connected concerned citizens to create an innovative agency "for the purpose of giving complete physical and mental examinations, free of charge, to all children who may need the same."

ChildSavers is a community-supported nonprofit governed by a volunteer Board of Directors. They are licensed by the Virginia Department of Behavioral Health & Developmental Services and accredited by the Council on Accreditation for Child and Family Services.

Their offices are located at 200 North 22nd Street in the East End of Richmond. To learn more about their programs and services visit [www.childsavers.org](http://www.childsavers.org) or call (804) 644.9590.
